SOCIAL INTEGRATION SERVICES CENTER

Cortile
ex Appannaggio, 16
JESI

The Social Integration Services Center

The Social Integration Services Center is an office of the Municipality of Jesi, managed by ASP Ambito 9 that offers services provided by the Social Cooperative Cooss Marche.

It has been operating in the area of Jesi since 2008.

The services are aimed at all citizens, in particular at the migrant population present in the area of Ambito 9.

Aims and objectives

The aims of the Integration Center are:

- to inform
- to orientate
- to support
- to promote the social integration of the individual

The objective is to promote the resources of the territory and facilitate the access to services (regarding social aspects, health-care, education and training, employment and documents...)

Over the years the Integration Centre has played a role as observer at a first level of the needs of the citizens and in the identification of critical elements

Professional profiles present at the Center

Social Worker

Cultural and Linguistic Mediator

Operators for Social Integration

The Center offers the following services

- Welcoming and listening
- Orientation, information and support with issues regarding legislation, residency permits, citizenship, education and employment, issues regarding social aspects and healthcare, ect;
- Support in the filling in of the paperwork regarding residency;
- Assistance in filling in of forms to apply for municipal or regional calls for grants or relief;
- Advice and support regarding active job hunting and the drafting of the curriculum vitae;
- Collection of proposals, suggestions and promotion of initiatives for integration;
- Promotion of the services and resources of the territory
